Furnished room to rent, close in, strictly modern, cool, quiet; phone 25, Mrs. Fentie Walker. 6 27 tf

Everyone left yesterday to celebrate the Fourth away from here. Quite a good many went to Meade some to Guymon and some to Garden City. They are coming home today and most of them are glad that it is over and that the Fourth only comes once a year.

P. F. Hanlin and family, formerly the proprietor of the Central Grocery returned the first of the week from Oklahoma City. Mr. Hanlin said that crops and conditions in Oklahoma were good but that Liberal suited him and that they were glad to get back.

The Democrat office is in receipt of a booklet published in Aline, Oklahoma, by Edgar Marchant, a former newspaper man and daily reporter. The booklet is printed and edited for the use of the Country Correspondent. It sells for twenty-five cents and is worth the price to any newspaper man or correspondent. The ideas are good and practical and the work on the book is splendid from a mechanical point of view.

R. J. Coffee and wife came home from their wedding trip Sunday. Rather Mr. Coffee returned with his wife. As stated in the Democrat some time ago he was married at Iola on the 25th, and now he and the bride are at home to their friends in the north part of town. The home has been furnished some time and it was no surprise to his friends when he announced his intention to take a trip and bring home a wife. While his wife is a stranger to most of the people here it will not be long until she will be to her husband's acquaintances a friend and social leader.

The first of the week Lettie Longnecker sold his home on Grand Avenue to M. H. Scandrett. The home is one of the best improved in Liberal and has a fine growth of grasses and trees, and will surely be a great comfort to the owner and family. The Longnecker's will probably locate in California where they go for the health of both Mr. and Mrs. Longnecker. Mr. Longnecker has made most of his fortune in Liberal and as manager of the Enterprise Grocery has made many friends who will regret that it has been his decision to leave the city.

Miss Josephine Heaton, of Heaton ranch on the Cimarron, is living at Grandpa Woods and attending kindergarten.

A dance was given last Saturday night at the Craig Hall to about fifteen couples in honor of Miss Helen Vaughn, of La Junta, Colo., who is spending the summer here with her aunt, Mrs. J. F. Funk.

Friday afternoon Mrs. B. E. Blake entertained the Christian Ladies aid in honor of her house guest, Mrs. H. Mansfield, of Beaver City, Okla. Refreshments were served and the afternoon wore away before the guests realized the lateness of the hour.

Sunday Bert Keown was down from Meade to visit his mother, Mrs. Anna Keown, and to meet his small son who had been down to Tyrone visiting his grandmother, Mrs. A. Shaw. Mrs. Shaw came this far with the boy and visited at the Keown home until the afternoon train west.

Wednesday, a trip to the country, down into the territory around Floris and Forgan showed that there will be considerable wheat in that section. Most of it looks as though it will hardly pay for the cutting; while a few scattering pieces are pretty good. The places where the kafir, milo maze and Indian corn show best stands are free from weeds and have been well cultivated. The Indian corn showed signs of burning and only a few days will decide whether the effort paid this season. Not much broom corn is planted around there. The spring crops are holding up splendidly considering the lack of rain. The town of Forgan is spreading out over quite an area and several buildings are being erected, one of which is a school house which is estimated to be built at a cost of \$8,000.

Recognition Service.

A recognition service will be given Rev. J. B. Frisbie and family at First Baptist Church, Wednesday night, July 9, at 8 p. m. Everybody cordially invited. Come, let us get acquainted.
